

Final GEM Mentoring Circle - Mentor Guide

The intent of the final Mentoring Circle in the GEM Closing session on June 17 is to close out the program and provide any final insights and support. You will have 40 minutes in your breakout rooms:

Conversation Guide (40 mins):

- Summarise what the GEM program has meant to you as mentors, ask mentees what it has meant to them (10 mins)
- Around the circle - Share and/or discuss: progress on your action plans OR experiences so far sharing your commitment to gender equity with others OR any questions you still have on Gender Equity (25 mins)
- Conclude with any thoughts on how (if) you would be willing to stay in touch e.g. share wins via email, share phone numbers for a chat etc. (3 mins)
- Finally, please reinforce the importance of completing the program feedback form straight after the session (2 mins)
- Return to the main group to formally close the program.
