

Purpose Statement

In our very first session we talked about our 'why' for doing this work.

Now...Imagine that you are presenting to colleagues in your workplace about some aspect of your gender equity action plan, and before you launch into the details of the meeting there is an opportunity for you to speak about **your personal connection to the work – to share your 'Why'**.

Complete sentences 1-3 below:

1. **"I imagine a world where..."**
(e.g. What will the world and/or your workplace look like if lots of people become allies for gender equality?)
2. **"I value..."**
(e.g. What values do you have that support your interest in supporting gender equality?)
3. **"So when I see ..." "I feel ..."**
(e.g. How do those problems make you feel?)
4. **"That's why I aspire to be an ally for gender equality and hope to ..."**
(e.g. This is where you would share your action plan or a few tangible things you want to do or change by becoming an ally?)
